We, the people of planet Earth,  
In recognition of the interconnectedness of all life  
And the importance of the balance of nature  
Hereby acknowledge our interdependence  
And affirm our dedication  
To life-serving environmental stewardship  
The fulfillment of universal human needs worldwide,  
economic and social well-being,  
And a culture of peace and non-violence,  
To insure a sustainable and harmonious world  
For present and future generations.

Peace for our communities and peace for ourselves,  
As we join as one across the world,  
let us connect heart to heart.
